

Delivery

Before you head out, remember we are an undercover agency, so work out how you might deliver your gift secretly if you can. If you can't, don't worry, but maybe have a cover story worked out about your Secret Club Name.

Good luck.

P.S. If you can't deliver the gift right now, you can hold off for the final part, or you can move on by texting COMPLETE to Anne for the codeword to tell her you are ready to light The Beacon of Hope.
